Queensland Beginner's Alphabet · Used in Queensland

Pages 2 and 3 show all 52 letters in Queensland Beginner's Alphabet, the way they're taught in class. Pin them on the fridge, tape them to the desk, and come back whenever a letter starts in the wrong place.

Drawn to the style.
Every letter is drawn in Queensland Beginner's Alphabet and checked one by one. The dots and arrows show how it's taught.

One size for every letter.
Every letter sits on the same four lines at the same size, so you can see how tall each one is and how far its tail drops.

Watch any letter.
Scan the code on pages 2 and 3 to watch any letter being written, stroke by stroke, at the speed your child needs.
